SCORING

- Each challenge has a pre-determined score.

- A participant's score depends on the number of test cases a participant's code submission successfully passes.

- If a participant submits more than one solution per challenge, then the participant's score will reflect the highest score achieved.

- Participants are ranked by score. If two or more participants achieve the same score, then the tie is broken by the total time taken to submit the last solution resulting in a higher score

TEAMS

- Anyone can participate.

- Teams can consist of up to 3 members.

- No age limit.

08

WINNER REWARDS

- Prizes will be awarded to the top-performing 3 teams based on their scores. Prize Giving will be held on the next day

- E-Certificates will be provided to all the participants

- Most Popular Team will be awarded with exciting prizes. (Details will be announced later)

REGISTRATION

- Teams must register their teams on or before **15th July 2024.**

- Teams can register through this link **www.yarlithub.org/festival/codestorm**
